Instructions for the Candidate
(Please read the instructions carefully and follow them properly)

- Candidates will not be allowed to take examination without the Admit Card. Candidates also must carry a valid photo id card.
- Candidates are required to mark the answers on Optical Mark Reader (OMR) using blue/black ball point pen. At the end, carefully tear the OMR sheet at the marked position and return the original OMR sheet to the Invigilator failing which the candidature will be summarily rejected. They can carry the copy of the OMR sheet and question booklet.
- Candidates will need to ensure that they reach the test venue as per the reporting time specified in the Admit Card. Late comers beyond 10:30 hrs will not be permitted to appear in the test.
- Candidates should carry blue/black ball point pen.
- Only Non-Programmable scientific calculator is allowed, but exchange of the calculators among the candidates is not permitted. Use of other items like electronic diary, writing pads, pencil box, beepers, cameras, mobile phone, palmtops, laptops, pagers etc., are not permitted inside the examination hall. Candidates shall have to leave the same, at their own risk, outside the Examination Hall. Any candidate found in possession of such unauthorized material or indulging in copying or adopting unfair means will be summarily disqualified.
- Candidates shall not be allowed to leave the Examination Hall, for any reason, till the end of the test.
- Only eligible candidates should appear in the test. If at any stage it is found that he/she is not eligible for the test, his/her candidature will be summarily rejected.
- For every question only one answer is to be marked. Multiple markings for single question will be considered as wrong.
- There will be 50 multiple choice questions in the paper and only one of the four answers in each question is correct. First 25 questions carry 3 (three) marks each for correct answer and -1 (negative one) mark each for incorrect answer. The last 25 questions carry 1 (one) mark each for correct answer and -1/3 (negative one-third) mark each for incorrect answer.
